

## Conservation Legacy Program

*"Here is your country. Cherish these natural wonders, cherish the natural resources, cherish the history and romance as a sacred heritage, for your children and your children's children. Do not let selfish men or greedy interests skin your country of its beauty, its riches or its romance."*

*- Teddy Roosevelt*

The SCC, in partnership with Rab and Mammut, are excited to introduce the *Conservation Legacy Program*. Those individuals who join the Conservation Legacy program firmly believe in the mission of the SCC to preserve climbing areas for future generations and have the income to turn that belief into an annual donation that **is specifically earmarked for conservation acquisitions and stewardship**.

The Conservation Legacy program is built upon the foundation that the SCC saves special places, places specifically for rock climbers. Conservation Legacy donors will know that their donation goes toward preserving those special places into perpetuity. An annual donation to the Conservation Legacy program literally and physically changes the landscape of the southeastern climbing community for the better. This donation can be set up in monthly payments.

Our goal for the year 2015 is to find 20 climbers willing to join the Conservation Legacy program at a \$500 or \$1000 + giving level. Thanks to a special partnership with Mammut and Rab, each Conservation Legacy donor will have the option of receiving a technical Rab jacket or Mammut 60m rope (see full benefit description on page two). Donors will be recognized in the SCC's annual report, on a special page on the SCC website, and in the kiosk at the SCC newest acquisitions. For 2015, names will appear on the kiosk at the Hospital Boulders. Donors will also be offered a free 1-year subscription to Rock and Ice Magazine. Please see page 2 for more information on benefits.

Because the SCC is a 501(c)(3) nonprofit organization, all donations are tax deductible. The SCC's tax identification number is: 62-1548337. We would like to extend our thanks for your previous support of the SCC. We are grateful that you have been a dedicated member and supporter and we look forward to deepening our relationship with you. If you would like to see other personal benefits or would like your money earmarked for other things, please contact us for further discussion.

Many Thanks,
